

BEHAVIORAL HEALTH APPRENTICESHIPS

A registered statewide apprenticeship program to meet the urgent need for vital behavioral healthcare services

SUBSTANCE USE DISORDER PROFESSIONAL PATHWAY

Providing case management, assessment & support to promote substance-use recovery.

The time is NOW

- A 2-yr Earn while you Learn program
- Hybrid learning experience (virtual real-time class & OJT)
- Stabilize & diversify the BH workforce

• **Accepting applicants for Fall 2022 cohorts**

Nearly 64% of people suffering from addiction in WA are under the age of 30 years.

This number is higher among younger adults.

15% of US adults reported new or increased substance use due to pandemic-related stress in 2020.

Source: Public Health Online, 2022; Kaiser Family Foundation, 2022

**Delivering sustainable solutions
to the behavioral healthcare crisis**
