

WorkSource Vancouver Hot Job & Event

March 6, 2024

Job Title: Program Manager

Company: Southwest Washington Contractors Association

Pay Range: From \$67,750 yearly

Hours: 8-5 **Days:** Monday - Friday

Background Check: Yes

Benefits: Yes

Job Summary: Development, management and expansion of a career launch program connecting schools with construction and trade companies to help students find employment opportunities upon graduation and choose construction as a career. The Construction as a Career Program Manager will also work with regional workforce board staff from Portland and Clackamas, as well as construction employers, labor partners, and pre-apprenticeship/apprenticeship programs to understand the job demand and critical skills to inform the public workforce system so that talent is developed through our programs to meet employer demand. Manage Construction as a Career program. Establish and maintain strong relationships with business, labor, apprenticeship programs, government, and educational institution leaders as they relate to the construction section. Lead all SWCA efforts related to workforce development in the construction/infrastructure industry; facilitate employment and training projects led by industry. These efforts include Act as a liaison between the schools and construction and trade companies.

Requirements: 4 years' experience in program/project management; or equivalent combination of education and experience. Construction industry experience/knowledge preferred. Bilingual - Fluent in Spanish and English. Able to manage students and keep them safe on a construction site.

Basic Skills: Proficient in Microsoft Suites
