How WorkSource can help your business

Save money and find the best long-term candidates—without having to use a staffing agency!

On-the-Job (OJT) Training

On the Job Training (OJT) is an employment resource offered by WorkSource that can save you a lot of money!

- WorkSource reimburses your new employee's wages.
- Coaching support from WorkSource staff.
- Participant access to support services.
- Candidate must qualify for services prior to starting.

Work Opportunity Tax Credit

The Work Opportunity Tax Credit is a federal tax credit available to employers hiring individuals who face significant barriers to employment.

WorkSource customers eligible for OJT and WEX can also make you qualify for this tax credit that can save you up to \$9,600!

Hire a Veteran!

WorkSource has dedicated Local Veterans Employment Representative's whose sole job is to help your company hire veterans.

The benefit of using WorkSource

If you choose to work with our Business Team, you'll have us in your corner to help promote and recruit for your positions, reimburse training of your new hires, and qualify you for tax credits!

WorkSource aids in employee retention, as we're able to support your candidates after they're hired with transportation assistance, childcare, work clothes, and more.

WorkSource also hosts regular hiring events and provides Rapid Response assistance in the event of lay-offs to help employees transition as job seekers.

Get protected by the Federal Bonding Program

The Federal Bonding Program can protect you against employee fraud!

Employers receive these bonds for free as an incentive to hire applicants. You can be reimbursed up to \$25,000 during the first six months of an individual's employment for any loss due to employee theft of money or property.

Work Experience (WEX)

Work Experience (WEX) is an internship program that works by placing eligible candidates in high-demand training environments.

- Candidates can earn while they learn.
- Access support services.
