

National manufacturing company is currently increasing production at our Vancouver, WA facility. We are a well-established company and are the leaders in our industry. We presently have positions open for Track Panel Laborers.

The job is physical and will require:

- HEAVY lifting (at least 50 pounds)
- Use heavy tools
- Bending, twisting and hammering

This is a full-time position, with overtime requirements as needed. Some experience is preferred, but we are willing to train candidates that have an excellent attitude and a proven track record of good attendance. Candidates must also be able to closely follow both verbal and written instructions. We offer a competitive starting pay rate, with benefits available after a short probationary period.

Apply either in person at 7304 NE St. Johns Road, Vancouver, WA 98665 or submit resume.
